MYSORE RAILWAYS.

Notification dated 8th December 1928.

Notice is hereby given that the sealed tenders will be received at the Office of the Executive Engineer, Mysore Railways, Hassan, up to 5 P.M., on Saturday the 22nd December 1928, for ballast collection on Mysore-Arsikere Railway, as per details mentioned below. An approximate estimate of quantities is given in the following schedule. The quantities are not guaranteed. The work should be completed by the end of April 1929, showing continuous equal monthly progress by actual measurement of quantities.

2. Detailed estimate and conditions of schedule agreement may be seen at the Executive Engineer's Office at Mysore Railways, Hassan, on all working days, between 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer on payment of one rupee.

4. Every tender must be accompanied by a deposit of Rs. 100 in cash as earnest money and should be superscribed "Tenders for collecting and stacking stone ballast on Mysore-Arsikere Railway", in default of which tenders will be rejected.

5. The earnest money of rejected tenders will be returned as early as possible after the tenders are disposed of and in the case of accepted tenders it would be held as a security for the due fulfilment of the contract.

6. The final acceptance of any tender will rest with the Engineer-in-Chief, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender or any portion thereof.

7. The name of the competitor, whose tender has been accepted will be posted on the Notice Board in the Executive Engineer's Office as early as possible. No enquiries regarding the acceptance or rejection of a tender will be answered.

8. Within eight days of the acceptance of the tender, the successful competitor is required to execute the usual schedule agreement, in default of which, his tender will be considered as cancelled.

9. Collections will be measured only to the extent of Rs. 3,500 allotted during the current year. Further works being measured and paid early in 1929-30.
